Fitness Class Descriptions - All classes 16+ years >>>

Abs & Core > Strengthen the important muscles which help improve posture, prevent injury, improve performance and look better.

A Plan Workout > Includes hand weights and barbells in a combination of effective exercises to burn fat and increase strength. Total body workout which will improve your strength, mobility, fat loss and cardio vascular fitness.

Aqua Fit (Kelly's) > A fun packed workout for all levels. To improve your muscle tone, core strength and flexibility. Using woggles and dumbbells to increase more resistance.

Aqua Fit (Lynn's) > A fast paced, fun class, set to music in the warmest pool in the area! Suitable for all levels of fitness.

Beginners Indoor Cycling > A class designed for new people/ novices who want to give Indoor Cycling a try, with clear and insightful instruction whilst having a lot of fun!

Body Pump/Body Pump Express > The original barbell class. Tones the whole body with hot sounds and compelling choreography for just about everybody.

Boxercise > The toning, stress busting workout that delivers the biggest punch!

Circuits > A complete workout for all levels from beginners to advanced. Using various pieces of equipment in a number of different class formats. Great for burning fat and improving muscle tone at the same time.

Core Express > A 30 minute class with real focus on your core muscles, to aid toning, strength and shape.

Gentle Stretch and Tone > An aerobic, tone and trim session. Great social atmosphere. All ages and abilities welcome.

Gentle Stretch and Tone (Jane's) > Anaerobic, tone and trim session ending with relaxation. Great social atmosphere. All ages and abilities welcome.

HIIT Class > Our High Intensity Interval Training class is designed to strengthen and tone core muscles in a short space of time burning calories long after you finish a workout. You work hard in intense bursts of activity with a brief recovery time to kick your metabolism into overdrive.

Indoor Cycling > Indoor studio cycling session. Highly motivating and a fantastic way to burn lots of calories.

Insanity > A total body circuit based workout to get you in the best shape of your life, both looking and performing.

Legs, Bums and Tums > Ladies it says it all in the title. Blitz those hard to hit areas.

HIIT Circuits > This class offers a High Intensity workout which is time effective and will ensure you get great results. It combines anaerobic cardio work with strength training to

burn fat fast and to tone the whole body using old school trusted techniques as well as new innovative thinking.

Pilates > Helps to develop the awareness of our bodies enabling us to improve posture, core strength and flexibility. It builds strength from the inside out, working on deep postural muscles and neutral alignment.

PiYo LIVE > Inspired by the muscle-sculpting, core-firming benefits of Pilates and the strength and flexibility of flowing yoga movements, it's an innovative bodyweight workout that gives you so much more.

Pre & Post Natal Aqua > Aqua aerobics is particularly effective for a natal and post natal women because it offers a wide range of therapeutic and health benefits without the hard impact of land exercise.

Zumba > is a Latin-inspired, dance - fitness class that incorporates Latin and International music and dance movements, which create a dynamic, exciting, and effective fitness system! This class format combines fast and slow rhythms that tone and sculpt the body in an aerobic/fitness fashion to achieve a unique blended balance of cardio and muscle-toning benefits.

Zumba Gold > Takes the popular Latin-dance of Zumba, and makes it accessible for beginners to seniors. Zumba Gold builds cardiovascular health by challenging the heart and working the muscles of the hips, legs and arms with dance moves.

Yoga/Therapeutic Yoga > Create balance throughout your body by developing both strength and flexibility via different poses and postures. Improve your flexibility, muscle tone and well-being in this new pay-as-you-go class!
